Team Assessment Report

GROUP 15

Group Members: Shahriar Karim, Krishka Chauhan, Purtha Shaariyaar

All group members have contributed equally to the project. The project work was split between group members, but we all helped each other when needed, Purtha was primarily responsible for the coding portion, and getting the website up and running. Krishna was responsible for designing diagrams such as Use Case Diagrams, state diagrams, etc. Shahriar was responsible for creating the requirements report, organizing the github folders, creating use case diagram report. 10/10 assessment for all group members.
